

Date: 13FEB20

Time: 5:00 PM - 7:00 PM

Meeting Place: Math Library

Members Present: Nagisa Her, Tobi Jacobson, Andrew King, and Sahand Setareh

**Notes:**

1. Team discussed how we will start approaching the project
  - a. Decided that the team will work together through front end, back end, as well as integration
    - i. However we will just divide up the parts as we go
2. Team's main goal is to have the front end of the project up soon
3. Timeline has been set, but there is wiggle room for unexpected occurrences

**Tasks Completed:**

1. Project Milestone 2
